6. Defendant EVALIDIA NANDO is the record owner/landlord of the Property.

8. Defendant PLACITA OXAQUENA CORP D/B/A LA PLACITA OXAQUENA is the tenant on the Property operating this food service establishment.
9. Venue properly lies in the Eastern District of New York, which is the federal judicial district in which the property is located and on which the violative establishment is conducting business.

II. ADA Ensures Reasonable Access For Individuals with Disabilities

10. Notice prior to initiating suit is not mandated by the ADA.
11. All conditions precedent to filing suit are satisfied or are waived by Defendant as their violations have been ongoing since implementation of the ADA.
12. The ADA prohibits discrimination on the basis of disability. The Act guarantees reasonable accommodations for individuals with disabilities to ensure they are not the subject of discrimination.
13. The ADA and the ADA/ABA Accessibility Guidelines for Buildings and Facilities (36 CFR Part 1191, Appendices B and C) along with 28 CFR Part 36, Subpart D, the New Construction and Alterations portion of Title III (all hereinafter referred to as the “Accessibility Standards”) dictate that property owners and operators of “commercial establishments” are jointly responsible complying with these federal Accessibility Standards.

III. Defendant's Violations of ADA Accessibility Standards:

14. Defendants have and are continuing to violate the Accessibility Standards by failing to provide accessible facilities since the act was enacted as law.
15. These violations infringe upon Plaintiff's right to travel free of discrimination causing Plaintiff harm in the form of suffering frustration, shame and humiliation.
16. When Plaintiff DUNSTON was visiting PLACITA OXAQUENA CORP D/B/A LA PLACITA OXAQUENA on Defendant EVALIDIA NANDO's Property she encountered architectural barriers at the Property precluding his from reasonably accessing the goods and services provided to non-disabled individuals.
17. These barriers to access at the Property have deterred Plaintiff from availing herself of, and are denying her the opportunity to participate and benefit from the goods, services, privileges, advantages, facilities and accommodations at PLACITA OXAQUENA CORP D/B/A LA PLACITA OXAQUENA equal to those afforded to other individuals.
18. Defendant, therefore, is discriminating against Plaintiff and other similarly situated disabled individuals.
19. As a result of Defendant's ADA non-compliance, Plaintiff DUNSTON is being deprived of the meaningful choice of freely visiting the same accommodations readily available to the general public.
20. Consequently, Plaintiff is effectively deterred and discouraged from further travel due to these ADA problems.

IV. Plaintiff DUNSTON Qualifies As An Individual with a Disability Under the ADA

21. Plaintiff DUNSTON has three children and she is currently attending classes to obtain her G.E.D to become a high school graduate. All of her family reside throughout New York.

22. Plaintiff DUNSTON commutes principally using Access-a-Ride although she also used the MTA/New York City Transit Bus System or other special transportation services.
23. Plaintiff DUNSTON is a forty-seven (47) year old woman who presently resides in Brooklyn, New York.
24. In September of 2015, Plaintiff DUNSTON had a hysterectomy.
25. As a result of complications during the procedure, including adverse reactions to medications being administered, blood clots began forming throughout Plaintiff DUNSTON's left leg.
26. Plaintiff DUNSTON's left leg had to be amputated less than one month later that same year.
27. Plaintiff DUNSTON has been and is not permanently confined to a wheelchair since having her left leg amputated.

IV. Inspection of PLACITA OXAQUENA CORP D/B/A LA PLACITA OXAQUENA Establishes ADA Non-compliance

28. The present violations at Defendants' facility threaten Plaintiff's safety.
29. An inspection of PLACITA OXAQUENA CORP D/B/A LA PLACITA OXAQUENA reveals the following architectural barriers to access precluding Plaintiff, as an individual who is confined to a wheelchair, from reason able accessing the goods and services offered to able-bodied persons:
 - a) inaccessible entrance as existing step at travel path leading to entrance acts as a barrier to accessibility without required ramp;
 - b) required minimum maneuvering clearance not provided at entrance door;
 - c) non-compliant change in floor level within required maneuvering clearance at entrance door;

- d) inaccessible service counter as existing height of service counter exceeds maximum height allowance;
- e) portion of service counter required to be accessible not provided;
- f) inaccessible dining tables as required minimum knee and toe clearance not provided at dining tables;
- g) minimum percentage of existing dining tables required to be accessible not provided;
- h) inaccessible restroom as required minimum clear width not provided at travel path leading to restroom;
- i) inaccessible travel path leading to restroom as travel path leading to restroom requires passage thru service kitchen area;
- j) rise in floor level at threshold of restroom door acts as a barrier to accessibility without required ramp not provided for rise in floor level at threshold of restroom door;
- k) required minimum clear width not provided at opening of restroom door;
- l) required minimum maneuvering clearance not provided at restroom door;
- m) non-compliant door knob at restroom door requires twisting of the wrist;
- n) required minimum turning space not provided in restroom;
- o) inaccessible light switch in restroom as mounted height of light switch exceeds maximum height allowance;
- p) inaccessible water closet in restroom as required minimum clear floor space not provided at water closet;
- q) required grab bars not provided at rear and side walls of water closet;

- r) non-compliant distance of water closet from side wall;

 - w) failure to maintain accessible features and failing to adhere to policies, practices and procedures to ensure that the goods and services being offered, as well as the facilities themselves, are accessible to people with disabilities;
30. The above-listed discriminatory violations are not an exhaustive list of all ADA violations on the property. Plaintiff requires an inspection of Defendants' place of public accommodation in order to identify, photograph and measure all of the barriers to access that constitute discriminatory acts in violation of the ADA.
- V. Returning to LA PLACITA OAXAQUENA Before All Violations Are Remedied May Threaten Plaintiff DUNSTON's Physical Safety**
31. As the violations at Defendants' facility are ongoing, it would be a futile gesture for Plaintiff to return to the property so long as the above listed violations exist.
32. Plaintiff returning to the property prior to all above violations being remedied will only further subject Plaintiff to discrimination and threaten Plaintiff's physical safety and well-being.
33. Plaintiff plans on returning to PLACITA OAXAQUENA CORP D/B/A LA PLACITA OAXAQUENA to avail herself of the good and services offered to the public thereon, and to determine whether the property has been made ADA compliant.

34. However, Plaintiff may require assistance from an able-bodied individual upon returning to ensure his physical safety is not needlessly threatened by Defendant's ongoing non-compliance.
